## Parish Bulletin Insert

There is a powerful movement of the Holy Spirit in our country touching the hearts and lives of men to become individuals of integrity and action as husbands, fathers and devoted members of their church communities.

The importance of **gathering in fellowship to support one another in the values and convictions of our Catholic way of life 8s of paramount importance in our society today.** There is a real hunger inside Catholic men to equip themselves with the necessary practical tools to live lives of integrity and share this way of life within our communities.

As Catholic Christians, our communion with one another, especially as a Eucharistic People, is a distinctive hallmark of our Catholic way of life. For the past few years, in the Catholic Church throughout America, a movement has been taking root in various parishes to **support Catholic men through fellowship and prayer** where men grow together, develop a deeper understanding of their Catholic faith and become living examples of living a Catholic way of life. **There are no initiation fees or dues associated with becoming a member of a small group.**

With this in mind, St. Mary/St. Frances Cabrini Parish will participate in a Catholic Men's Fellowship Small Group training session open to all the men of our parish family. The session will be held on **Saturday, October 16, 2010. at St. Joseph Parish in Jefferson from 9:00 a.m. to 11:00 a.m. Parking is free. Coffee and donuts will be served.**
